Dear Director Dulles:

In behalf of all the membership of the Council of National Organizations, I want to thank you for your excellent presentation Monday afternoon. My regret is that we did not leave the remainder of the afternoon open for the continuation of the stimulating exchange of questions and answers and comments which you gave us. I'm sure you are aware of the enthusiastic response to your message and your participation. I know of no other way to transmit your ideas so effectively to the membership of our great voluntary organizations. We were honored and grateful to have you with us. If there is anything we can do for you, please know that we will be happy to help in any way we can.

With best wishes and kindest personal regards,
