MEMORANDUM FOR: Deputy Director of Central Intelligence
SUBJECT: Intelligence Support of JCS War Room by CIA and Department of State

25X1

1. Attached is subject correspondence, rewritten as you requested, naming [redacted] as CIA representative. The subject matter of this planning is mainly a DD/I concern with support from DD/S and coordination with DD/P.

2. I have also changed the last paragraph of the Layton and Armstrong letters to include an invitation to State to name a representative to meet with the CIA and JIG representatives. This should make clear that, although Layton asks CIA to provide for State support in wartime to the JCS War Room, that we are expecting State to represent itself.
