Dear Bobby:

I am firmly planning to be present for the meeting of the Commercial Club of Boston - the Merchants Club - on January 20, 1959, which you mention in your letter of 26 November 1958. I shall speak off the record, as you suggest, and deal with some of the problems of intelligence and what we are trying to do about them.

Kindly pass on this word to Ned Bigelow.

In due course please let me know how long you want me to speak, and give me the time and place of the meeting and any other suggestions you feel might be helpful, although your two letters fairly well cover the general nature of the meeting.

I hope that my trip to Boston will give me a chance to see something of you.
