Note to AD/CD

on ER 1-7905- forwarded by Heineman

"Statement made by Mr. Charles K. Wilmers to the Shareholders Meeting of SOFINA, held on April 26, 1951, regarding BARCELONA TRACTION"

Dr. Andrews: Please have someone keep a consolidated record of all the material which Mr. Heineman forwards to Gen Smith. I am not showing this material to the Director as it is received, but since it is probable that Mr. Heineman will visit the Director within the next month or two it would be advisable to have some sort of an index or summary from which we can quickly brief the General on the general nature of this material in advance of Heineman's visit.
