STAT

The young man from [redacted] on whom you gave me a curriculum vitae, was interviewed in [redacted] on 12 August by a representative of our personnel office. At that time he was given application forms which he returned to our representative on 8 December. We feel that [redacted] is an especially fine young man. However, his present position with the [redacted] Corporation is at a salary which we do not feel we would be able to meet or improve. He has, of course, been notified.
