The Honorable Joseph H. Dodge
The Director
Bureau of the Budget
Washington 25, D. C.

Dear Mr. Dodge:

I believe that our participation on the Committee on Statistical Security would be made more effective by appointing a representative more closely in touch with the subject matter with which this committee has been chiefly concerned. I should, therefore, like to nominate

BRIEF

The Office of Research and Reports has been requested by the Security Office to nominate a representative to serve on the Committee on Statistical Security, replacing the present representative from the Security Office. The Security Office feels that this Committee is concerned more with the use of statistics in connection with economic intelligence than with matters relating to the security function as carried out by their Office.

It is recommended that the attached letter, nominating

[redacted]

as representative, and

[redacted]

as alternate, be signed.
