ENCLOSURE: Memorandum from JIC to Chairman, IAC dated  
17 May 1950 re Intelligence on Soviet Atomic  
Activities, JICM-992, CIA 34426

1. Enclosed is a copy of a memorandum from the Joint Intelligence Committee requesting the Intelligence Advisory Committee to consider and act upon the recommendations in the "Comprehensive Review of the Atomic Energy Intelligence Problem" which was sent to all members of the Intelligence Advisory Committee on 10 April.

2. I shall be glad to have the Intelligence Advisory Committee abide by this request at the next regular meeting on Friday, 16 June. Because so many of the members of the Intelligence Advisory Committee are now out of town, I think it would serve no useful purpose to call an earlier meeting.
