MEMORANDUM FOR: BRIGADIER GENERAL J. D. BALMER  
CHIEF, JOINT SUBSIDIARY PLANS DIVISION  
THE JOINT CHIEFS OF STAFF

SUBJECT : The Draft Report by the JSPD to the JCS on  
Special Operations

REFERENCES : a. Memorandum JSPD, SPDM-419-51, 26 October 1951  
b. Third Draft of Subject Above

As the result of several conferences and coordinated efforts in the development of the subject JCS paper, concurrence is given with the following observations:

a. Establishment of an "ad hoc" committee in paragraph 3.h, page 5, Enclosure "A", is construed as a temporary measure which will not preclude later development of a permanent committee, if such becomes desirable.

b. CIA is in accord with the principle stated in paragraph 21 of Enclosure "B" that there be direct coordination of guidance on matters covered by this paper between OSO and the JCS, but it is considered undesirable to comment on the JCS office that will effect this coordination.
