REMARKS: Paragraph 5 indicates that construction work may well continue beyond the end of fiscal year 1955. As the money was obligated out of fiscal year 1953 funds, does this raise a question of availability for expenditure in fiscal year 1956? Aside from this point, the Navy statement of agreement is acceptable from our point of view.

Representatives of office of DD/P Admin and
Remarks: a representative of Logistics Office met with Navy Dept. representatives in San Francisco 15 - 18 June. Navy Dept. has completed negotiations for architectural engineering services and awarded construction contract on a cost-plus-fixed-fee basis. Architect-engineer tentative drawings will be approved after review by representatives from the field and the Real Estate and Construction Div. Logistics Office final working drawings and specifications will then be prepared.
