25 YEAR RE-REVIEW

ILLEGIB

MAR 17 1949

Dear Ken:

Your letter of 16 February 1949  inquires about the manner of issue of the various sections, chapters, and supplements shown on the Revised Tentative NIS Production Schedule - FY 1949. It is our intention to issue separately as produced the sections, chapters, and supplements indicated.

25X1

I must point out, however, that it has been necessary to return to contributing agencies a number of contributions for revision; and that, in an undertaking as comprehensive as the NIS Program, smoothing out and integration of ramifying operating procedures have been required. Hence, a number of the contributions will be received on dates from one to several months later than indicated on the schedule. This means, of course, that actual publication will be correspondingly delayed.

The NIS Committee is working on the NIS Production Schedule for Fiscal Year 1950. This should be ready for dissemination about June at which time a copy will be sent to you.

Sincerely yours,

R. W. WILLENKOETTER
REAR ADMIRAL, USN
DIRECTOR OF CENTRAL INTELLIGENCE
