Assistant Director, ORE

The Director

Commendation

1. I appeared this morning before the House Foreign Affairs Committee in connection with their consideration of the Mutual Defense Assistance Program and allied problems in the field of foreign affairs.

2. I wish to express my appreciation for the splendid background memorandum on the "Implications of the MDAP" prepared by your staff for this meeting. I think it was a fine piece of work, particularly in view of the short time at our disposal to prepare it.
