Assistant Director, ORE

1 August 1949

Assistant Director, OCD

ORE 23-49: The Tudeh Party; Vehicle of Communism in Iran

Mr. Philip Barringer, of the Political & Military Affairs Section in the Office of the Secretary of Defense, telephoned me Friday for the express purpose of congratulating CIA upon ORE 23-49, which he and his people consider an unusually fine job.

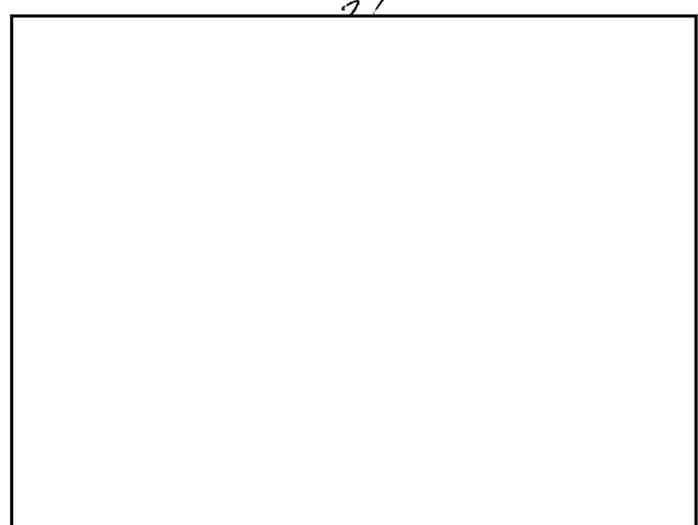

Will you pass the congratulations along to those concerned?

JAMES M. ANDREWS
