Hon. John Taber  
Auburn, New York

Dear John:

called to see me this last week and I had a good talk with him. He seems to me to have interesting qualifications and I told him that if his present application to the Voice of America, which he is following up actively, does not produce something of interest to him, to come back and see us at any time. I appreciate your having brought his name to our attention.

Faithfully yours,

Allen W. Dulles
