Dear Senator Anderson:

This is to acknowledge receipt of your letter of 29 June 1953, with its enclosure of a letter to you from

STAT

I have had the facts of this case checked very carefully and find that, after several meetings with extending from December to April, a balance of accounts was reached, and final payment was made at that time, as indicated in letter.

STAT

In addition to the payment made to in April, there still appears to be an open question on two items of his accounts: one, a sum of \$52.30 and the other a sum of \$56.67. Before a final determination on these two items can be reached, it will be necessary for to submit certain formal supporting papers, which he is being requested to do by letter. If the supporting data merits the payment of these claims, they will be settled as soon as possible.
