Dear Mr. Smith:

Thank you for your letter of April 29 on the clippings on the American Committee for Cultural Freedom, which I have found very interesting and am returning to you herewith.

You are correct in believing that I do not have the correct name of the veterans organization. It is the World Veterans Fund, Inc., headed by Sherman Ewing. If you can obtain it for me, I should very much like to have a copy of the National Information Bureau's report on this foundation.

Sincerely,

Stuart Hedden

Dear Mr. Hedden:

In response to your letter of April 25, I am enclosing some newspaper clippings on the American Committee for Cultural Freedom which I hope will be of some use to you. This is the only information we can get on the organization you inquire about.

I am inclined to think that the "War Veterans Foundation, Inc." may not be the correct title of the organization you ask about as we are unable to locate it anywhere.

Sincerely yours,

Craig R. Smith  
Asst. Vice President
