3. We would appreciate your asking our Chief of Station in [Redacted] the following to [Redacted]

25X1

Your letter of 18 July 1972 to the Deputy Director was read with interest and forwarded to the Director of Personnel for consideration and reply.

Your very extensive background was then reviewed by those senior officials the Director of Personnel knew might have an interest in your qualifications. Unfortunately, they were not able to identify a suitable opportunity for you at this time. Personnel strength reductions in recent years have reduced our needs for military details and new staff employees. Recruitment, in short, is restricted to clericals and junior officer trainees and a few individuals with very specialized backgrounds.

We regret that our answer could not be favorable but appreciate your very kind offer to be associated with us.

Dear General Walters:

I am taking the liberty of writing to you in order to determine whether an assignment to the agency is possible.

A letter from the Chief of Colonels branch asking me to extend
STAT for another year in  or possibly run the risk of an unaccompanied tour assignment prompted this question.

My most and foremost interest is in a challenging assignment, where I can best contribute to the security and welfare of the United States, regardless of location or the color of my uniform. From my past experience and exposure however, I have concluded that such an opportunity lies primarily within CIA. Thus, before I commit myself to possibly another year of exile, an unaccompanied tour, or the idea of merely putting in my time, a thought which I abhor, I would like to know if you could use me?

A copy of my AA Form 66 and short resume are attached.

With warmest regards from my wife.

Sincerely yours,
