Dear General Walters:

Our appreciation of your visit to the River Oaks Rotary Club is really hard to express in words. I have received calls from many of our members asking when you could make a return visit.

The program was with out exception the very best our club has ever had.

It is a very reassuring feeling to know that there are men such as yourself in our country's most trusted position.

Your visit was really a great honor for us and your thoughts will be long remembered.

Sincerely,

Fred Blanton
River Oaks Rotary
