

OFFICE OF THE SECRETARY OF DEFENSE  
WASHINGTON, D. C. 20301

14 AUG 1975

Lieutenant General Vernon A. Walters, USA  
Deputy Director of Central Intelligence  
Washington, D. C. 20505

Dear Dick,

Reference our earlier meeting on a special project, we discussed you giving an update of the 1973 briefing during September. We have approval for doing this, but the agenda proposed for the September meeting is fairly tight without this item. Accordingly, we have agreed to cover this item in a second session in the December 1975-January 1976 time frame.

I will firm up a date after the September meeting. Hope this change has not inconvenienced you.

Sincerely,

A handwritten signature in black ink, appearing to be "D. R. Cotter".

D. R. Cotter  
Assistant to the Secretary  
of Defense (Atomic Energy)
