Dear General Walters:

Please accept my sincere gratitude for your participation in Intelligence Day and our Organizational Day. Your departure from your busy schedule to join us here at Fort Huachuca was a primary reason for the success of this year's activities.

Also, permit me to congratulate you on the conclusion of a highly effective and efficient year as President of the National Military Intelligence Association. By virtue of your dynamic leadership, that organization has grown and prospered.

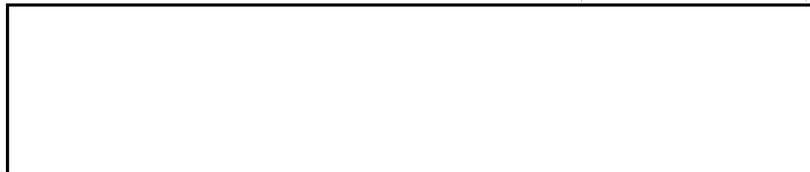

Once again, my personal thanks for all of your efforts.

Sincerely,
