Dear Dick:

Many thanks for your note of September 23. It was great to see you again. We all appreciated your candid talk, and many have said it was the best talk they have ever heard.

So much has happened since we were together during World War II, and it appears much more is yet to come. You are doing a great job - keep up the good work. We all have to do what we can to keep the ship afloat and on the right course.

Kindest regards.

Sincerely,

  
John D. Torrey, Jr.
