Dear General:

Volume II of the Master Alphabetic Index to ATIS Interrogation Reports has just come in with your covering letter dated 10 July 1950, and my people are very glad to have it.

It is good of you to send these reports to me direct, thus obviating the possibility of their failing to reach CIA due to one or another obstruction in the regular channels. Please be assured that we are very grateful.

With kindest personal regards,

Sincerely,
