Dear Mr. Krusen:

Your letter and the enclosed clipping, addressed to Secretary Forrestal, has been forwarded to me for information.

I have read the article with interest and wish to re-assure you that the assumptions drawn by Mr. Stone with regard to the staff of this Agency have no basis. Every effort is being made to obtain the best qualified staff possible for this Agency and I believe that the caliber of personnel is exceedingly high.

Your interest in the Central Intelligence Agency is appreciated.

Very truly yours,
