Colonel Henning Linden  
Chief, Department of Military Art  
The Engineer School  
Fort Belvoir, Virginia

Dear Colonel Linden:

General Smith has asked me to acknowledge and thank you for your letter of 30 November 1951, which enclosed the list of books for reading at the Engineer School.

He was very interested to note that his book "My Three Years in Moscow" had been chosen as recommended reading for junior officers.

Regarding your request for aid in revising your list, General Smith regrets he is unable at this time to be of any assistance because of the pressure of his work.

Sincerely,

SIGNED
