Associate Editor  
The National Geographic Magazine  
Washington, D. C.

Dear Dr. La Gorce:

Thank you very much for your kindness in sending us the new National Geographic map of Washington. You were most thoughtful to do that, and I can't tell you how much I appreciate it. As a matter of interest, even our Agency is represented on your map, and I think that is a pretty fine compliment!

Mrs. Hillenkoetter and I send our very best wishes to Mrs. La Gorce and yourself.

Sincerely,
