My dear Admiral Hillenkoetter:

May I take this occasion upon my return to Cambridge to thank you for your courtesy in seeing me when I was in Washington last Thursday. It was very helpful indeed to have an opportunity to discuss with you the nature of our plans in the international affairs field at Harvard and to learn from you what the interest of your office might be in this program. I plan, as you were good enough to suggest, to keep in close touch with you and the members of your staff as our plans develop.

With my renewed appreciation, please believe me,

Very sincerely yours,

/s/ Donald C. McKay
