[redacted] called me yesterday and strongly urged that we find some use for [redacted]. I think you know her background [redacted] and I believe I submitted a previous note on [redacted] interest in the lady. I don't know whether there is any possible use we could find for [redacted] along our line of work. She knows [redacted] thoroughly, is intelligent and a good observer but she is now fairly old and set in her ways and would not be easy to handle. Have you any suggestions.
