Dear [Redacted]:

STAT

Mr. Dulles has asked me to reply to your letter of July 8th requesting an interview with him. I am sure you will understand when I say that Mr. Dulles' heavy schedule will not permit him to see you personally. You may have every assurance that [Redacted], with whom you have corresponded, is giving all possible attention to your application. Should there be a reason however for you to question what is being done with your application, I should be very glad, myself, to talk with you about it.

Sincerely yours,
