Lt. Gen. A. C. Wedemeyer
Commanding General
Headquarters Second Army
Fort George G. Meade, Maryland

Dear General Wedemeyer:

STAT

I am enclosing a copy of a letter I have just written to [redacted] whose statement of education and experience you gave to me earlier this month. I regret that we cannot yet consider her employment here due to the citizenship factor, as it could possibly lay us open to congressional criticism which it would be difficult to refute.

I hope, however, that [redacted] will still desire to be considered when she has become naturalized.

STA

Thank you for referring this matter to me.

Sincerely,

R. H. HILLENKOETTER
Rear Admiral, USN
Director of Central Intelligence
