MEMORANDUM FOR: The Honorable  
Allen W. Dulles  
Acting Director of Central Intelligence

SUBJECT: Implementation of PSB D-21/2:  
"A National Psychological Strategy  
with respect to Berlin".

Section VI of PSB D-21/2: "A National Psychological Strategy with respect to Berlin", states that the administrative provisions outlined in Section VI of PSB D-21 will prevail for the implementation of this strategy.

In arranging for implementation of PSB D-21, it was agreed that the Departments of State and Defense, the Central Intelligence Agency, and the Office of the Director for Mutual Security would each designate a substantive officer of appropriate level to work with the Acting Assistant Director, Office of Coordination, PSB. These officers have been named and have already met once to discuss the implementation of PSB D-21.

Accordingly, I am instructing my staff to deal with the same designees on matters concerning the implementation of PSB D-21/2.
