MEMORANDUM FOR: DIRECTOR, PSYCHOLOGICAL STRATEGY BOARD

SUBJECT : Approval of PPS 0-27

25X6

1. The contents of PPS 0-27, "Psychological Strategy Program for [redacted]" are noted and approved.

2. It is my understanding that the Department of Defense wishes to delete the action responsibilities delegated to the individual agencies in Part V of the plan. In my opinion, these actions serve a useful coordination function and should be retained. Perhaps the Defense view could be accommodated by a resolution similar to those used in connection with the approval of the plan or [redacted] and the plan on [redacted] to the effect that action designations contained in the plan are to be of a permissive rather than a mandatory nature.
