CSGID 904.3

March 30, 1948

MEMORANDUM FOR COLONEL CLINCH, ICAPS:

SUBJECT: Interdepartmental Intelligence Production Program

Reference your request for data for your staff survey, I have secured the following information from our Intelligence Group. Paragraphs are given subheadings to correspond with paragraph 4 of CIA memorandum of 27 January.

a. Requirements:

(1) Current intelligence:

- (a) Chief of Staff's daily and special briefings.
- (b) Intelligence Review, weekly.
- (c) Military summary (by-monthly order of battle).
- (d) Military Intelligence Conference, twice weekly.

(2) Staff intelligence to meet the requirements of General Staff divisions (chiefly P&O Division), JIC, and CIA.

(3) Basic intelligence (SID) to include military topographical, sociological, economic, political, scientific, transportation and telecommunications fields for all countries of the world.

(4) Operational intelligence - a newly initiated trial study on one country.

b. Schedule:

- (1) Current and staff intelligence as required, or as indicated in paragraph a, above.
- (2) Basic - to complete SID's, less topographical, telecommunications, and transportation by 1 July 1948.
- (3) Operational - to complete by 1 July 1948, constant review to keep current.

c. Agreements:

- (1) None.
- (2) Normal commitments to JIG and CIA.

d. Requirements not satisfactorily met:

ARMY and DIA review(s) completed.

- (1) Operational intelligence.
- (2) Basic intelligence in the fields of topography, transportation, and telecommunications.

There are other publications and items in the field of special intelligence which are not included in the above breakdown. Admittedly this is rough but I trust that it will serve its purpose.

  
E. J. TREACY, JR.  
Lt. Colonel, GSC
