25X1 • SUBJECT: [REDACTED]

1. Attached *as* recommended new instructions for liaison and contact requirements.

2. This draft is concurred in by all ICAPS members except Colonel Adams and Colonel Edwards who are temporarily absent.

25X1 3. In connection with [REDACTED] statement that we should draw up general liaison plans with the agencies, CIG activities were recently called upon to submit to ICAPS their liaison requirements. When these are received we should proceed along the lines recommended by [REDACTED]. Such action, however, need not delay publication of [REDACTED]

Comment NO 1 -

In par 4 b. suggest substitution of "activities"  
for "agencies" in 1<sup>st</sup> line to avoid miscommunication.  
In par 4 c. believe there should be a "S" at  
end of "contact"

I believe we should also, in collaboration  
with the several CIG officers & staff draw up  
general liaison plans with the agencies as well  
to insure standard liaison procedures, and that  
they should be made effective only after  
approval by the agencies concerned

Concur essentially with [Redacted] draft with suggestions as made by [Redacted]. However I do not see the necessity for going outside of CIA in the formulation of a CIA liaison [Redacted] plan.

25X1

1. CIG Operations Memorandum No. 1 dated 3 September 1946 is rescinded.
2. Reference is made to paragraph 7, Changes 2 to CIG Administrative Order No. 6, dated 12 August 1946.
3. Current experience indicates that CIG activities are independently contacting other agencies in connection with the development of plans already being coordinated by ICAPS. Confusion is thereby created in outside agencies and within CIG through lack of central direction and conflict in policy targets. All such direct contacts will hereafter be limited to that approved in writing by ICAPS.
4. All CIG liaison contacts with other agencies of the Government will be made initially by ICAPS, except as provided in CIG Administrative Order No. 8, dated 5 August 1946, and normal administrative contacts.
5. The term "liaison contacts" includes all contacts with member and other agencies in connection with the initial development of any CIG operation or project through the planning stages to the point of approval for implementation.
6. At such time as plans and policies are approved for implementation direct liaison functions will be delegated in writing to other CIG activities. Delegation will include specific points of liaison contact authorized in CIG and other agencies. Rigid adherence to established policies will be required and copies of all direct correspondence in connection with authorized direct liaison will be sent to ICAPS. This will not include the normal exchange of information and intelligence data.
7. The Executive for Personnel and Administration will insure that no liaison matters are cleared to other Government agencies without reference to ICAPS, except those matters specifically covered by separate written authority.
