Approval of Minutes

1. Action: The minutes of the last meeting, 1 December 1952 (IAC-M-90), were approved.

Soviet Capabilities through
Mid-1954 (NIE-64 (Part I)
Revision and Supplement)

2. Action: Approved with minor modifications; to be given same dissemination as NIE-64 (Part I). Agreed to reprint NIE-75, "Probable Developments in Iran through 1953," in order to reflect the superseding estimate made in paragraph 48 of this Revision and Supplement.

Estimate of Soviet Intentions
Over the Next Decade (NIE-78)

3. Discussion: General Smith emphasized the difficulty of achieving a responsive paper acceptable to all agencies and the duty of CIA to take responsibility for an uncoordinated estimate of this type. It was thought desirable to attempt to accommodate the three present drafts, but, in any event, to clear the estimate at the next IAC meeting. Agreed to restrict dissemination to the National Security Council, Senior Staff, and very few others.
