20. Requirements

Problem: To develop adequate arrangements for providing coordinated requirements by priority for the various collection units.

Status: There is no change reported in the handling of JCS paper SM-626-51.

Cases recently brought to the attention of the Office of Intelligence Coordination in CIA and the status of the cases is as follows:

a. General Bolling's request for collection regarding Spitzbergen -- G-2 is re-examining this request.

b. General Bolling's request for coordinated collection program regarding detection of logistical implications of Soviet preparation for an attack on Western Europe -- the collection agencies are studying this question.
