SUBJECT: Report on Implementation of Recommendations of the Joint Study Group

TO: The Secretary of Defense

REF: (a) Memo from SecDef, 12 Aug 61, subject: Specific Responsibilities of the Director, DIA

1. Reference (a) charged the Director, DIA, with the responsibility of expediting all those recommendations of the Joint Study Group applicable to the Department of Defense other than those for which NSA is responsible, and to submit a monthly report on the status and estimated completion date of each recommendation.

2. Since the seventh report, submitted 5 May, work continues on recommendations not fully implemented, but implementation has not been completed on any of these.

3. Eight of the recommendations have been fully implemented. On two (revision of NSCIDs and USIB membership) action is in abeyance. On five, relating chiefly to the preparation of specific plans, action proceeds against an early deadline. On ten, involving fundamental long-term adjustments, implementation moves forward, but not in such a way as to produce meaningful changes to be reported each month.

4. It is therefore recommended that periodic reports of implementation of JSG recommendations be required henceforth quarterly rather than monthly.
