SUBJECT: Senior Review Panel Meeting with the DCI,  
12 January 1984, 1:30 PM

1. In his meeting with the Panel today, the DCI made the following determinations:

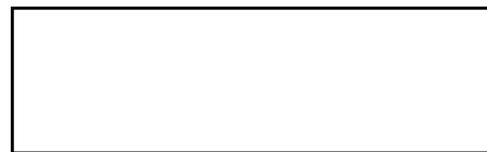

a. On Iran. Materials the Panel has already furnished, in response to his 19 December 1983 memorandum, meet his requirements.

b. On Vietnam. The Panel should refer the Vietnam questions to the Center for the Study of Intelligence in connection with the assessment they have underway. Further action should await the result of these studies.

c. On Cuba. No further action called for.

d. On Afghanistan and Nicaragua. The Panel should proceed to a study of the "turning points" his 19 December memorandum defines. The reports should be separately done.

2. With the concurrence of the DDI who was present, an analyst for Nicaragua and one for Afghanistan, familiar with the substantive problems and with document retrieval, will be detailed to the Panel for assistance in completing these studies.
