CARAVEL

1. If you see no objections, I would appreciate if you announced my presence in Hamburg to Caravel, convey to him my greetings, etc. I have not written to him directly.

2. Since I will be dealing with some of his local colleagues it is quite likely that Caravel will hear of my presence through his channels. In view of our long acquaintance it would seem best to notify him through you.

3. Please advise Caravel also that my wife and I would be very happy to see him here for a short visit, during which he could perhaps take the occasion to introduce me to some of his friends. As I recall Mrs. Caravel comes from Hamburg. We would be happy to pay their expenses.
