MEMORANDUM FOR: []

SUBJECT : Meetings in France and West Germany

1. I had two long sessions with [] in Paris and the results covering the Turkish situation were cabled from Bonn (IN 444287, 12 October 1971).

2. In Bonn I joined Oakey for meetings with Dr. Nollau (Ministry of Interior), McClelland (US Scientific Counsellor), and Holl (German Foreign Office). These meetings for the most part served as an education for me, and only for the Nollau meeting have I drawn up a Memcon.

3. In Wiesbaden I joined Oakey's meetings with Dickopf, (BKA and INTERPOL), Gemmer (BKA) Jeschke (BKA and ex-INTERPOL). In addition I had two long private sessions with Dickopf, and one session with Jeschke with Oakey present, but conducted by me. Memcons covering the sessions with Dickopf and Jeschke will be forwarded.

4. Oakey indicated that he would give me the written reports of the meetings which we both attended and requested that I give him the results of my private sessions with Dickopf.

5. For all of the above meetings I was introduced as a representative of the [] now serving on a government wide task force concerned with the narcotics problem. To the German officials I explained that because of my many years experience in export control matters, illegal shipments, transshipments, etc., I had been detached for temporary duty on the narcotics problem. I sensed no scepticism among the Germans. The cover story has been coordinated with the witting Chief of the Export Control Enforcement Division.
