MEMORANDUM FOR: Mr. Elmer B. Staats
Executive Officer
Operations Coordinating Board

SUBJECT: Cambodian Air Contract

After receiving your memorandum of January 17 enclosing a draft minute on the Cambodian air contract, I have talked to ICA. I also discussed this matter with the DCI Saturday afternoon and others in this Agency. The attached conforms to what the DCI told me of the meeting last Wednesday and also to what Mr. Hollister told John Tobler. I am sending ICA and State copies of this proposed revision which I hope will be satisfactory to you.
