

BUSINESS JUSTIFICATION

Section I Procurement Description: As a result of RFQ 92-S004, this is Contract written on behalf of [REDACTED] to fulfill the [REDACTED] requirements for Cushioning Material for Fiscal Year 1992. The period of performance for this agreement is 16 March 1992 to 30 September 1992.

The intent of this Contract is to enable the Contract Team to issue Delivery Orders under this Contract when requested by the COTR. Each Delivery Order will be separately funded. This method of procurement will provide for expeditious contracting in meeting customer requirements having critical schedule requirements.

Section II Source Justification: Eleven contractors were contacted to provide bids for different varieties and various sizes of cushioning material for the Packing and Crating Section at the [REDACTED]. Seven contractors responded with bids. R.S. Willard, Inc. responded with the lowest bid overall on all items, and therefore, was selected for the contract.
