Near East and
South Asia Review
Brief

Saudi Arabia Officials Assassinated in Thailand

[REDACTED] a Saudi Embassy Second Secretary was gunned down at his home, and another Second Secretary and an Embassy communicator were shot in a car outside their residence.

[REDACTED]
Saudi officials are convinced pro-Iranian terrorists were behind the attacks, according to press reports, and probably will reject attempts to attribute the killings to criminal activity.

[REDACTED] Meanwhile, Thai officials have increased security for Saudi diplomats to prevent further terrorist attacks.
