MEMORANDUM

SUBJECT : Eugenio R. Martinez

Mr. Martinez, born 8 July 1922 in Pinar del Rio, Cuba, is a naturalized U.S. citizen. He was recruited by CIA in 1961 to engage in a maritime activity against the Castro regime; more specifically

Captain of a vessel which carried a crew of six, he also engaged in a number of hazardous missions to With a change in operational policy, these missions were no longer required, and in the mid 1960's the project under which Mr. Martinez operated was terminated.

Having been removed from normal (3) 3) civilian pursuits because of his Agency activities, Mr. Martinez s was placed on a part-time retainer of \$100 per month, after the project was terminated to provide an opportunity for him to once again get into the mainstream of Civilian life. During this period he provided occasional reports of interest to CIA. Mr. Martinez was terminated in absentia on 17 June 1972.

Mr. Martinez was a loyal and reliable employee during his vears of association with the Agency and conducted many hazardous often under adverse con- (6)(3) missions in which he strongly believed.
