POLAND: Anti-US Actions

[REDACTED]

Premier Jaruzelski, in a speech last Friday, threatened to curb cultural, scientific, and educational ties with the US. Warsaw, meanwhile, has been trying to improve its standing with the European members of NATO, particularly the UK and West Germany. [REDACTED]

Comment: Jaruzelski wants to divide the US and its Western allies, particularly when NATO Foreign Ministers begin to reconsider the sanctions against Poland tomorrow. [REDACTED]
