OPERATION MIMI

This operation, consisting of one agent and his radio operator, was parachuted into the region south of Stuttgart on the night of the 3rd of February. Both the agent and his radio operator were young Frenchmen and went in with French worker cover. Specifically, they were bombed out of their factory in Koln and are on their way to new work at the Reichsarbeitsamt in Stuttgart under orders from the Reichsarbeitsamt in Koln. Their radio station has not yet come on the air. The agent of operation MICKSY, parachuted in their vicinity on the 24th of February has been instructed to try and get new of them.
