Very pleased about ANZIO. Try and have plane stooge around longer than 15 minutes. Ask him what happened to his WT operator and is she still trying contact us. In his falling back which should be soonest he should follow line of STUTTGART, ULM, AUGSBURG and MUNICH. Ask him to check on alleged presence of considerable motorized units around STUTTGART with identifications if possible and especially on general direction of enemy movements of any considerable quantity along main highway described above.
