"JIM"

This man has live in Germany for the past four years and he states however that ~~his~~ <sup>WEHRPASS IS</sup> (still good in spite of the inscription in French on page 53. Presume you will think advisable to have another Wehrpas made up and am therefore enclosing a photograph.

The plan is to use him in a maritime operation, he may also be dropped blind. Further documents will be required to enable him to get back to the Southern region of Germany where he used to work.
