Fanfani's Comments on Internal Political Scene*

Neo-Fascists in Postwar Italy

The Italian Communist Party

The Italian Socialist Party

The Erosion of Italian Democracy

*This report is included as one of the few bits of concrete information on relations between Italy's governing Christian Democrats, represented by Premier Fanfani, and the Italian Socialist Party, represented by party chief Pietro Nenni. The issue of future parliamentary support of the minority Christian Democrats by the Socialists--a matter on which the Christian Democrats are divided and on which Italian politics currently focuses--has been the subject of some equivocation by Fanfani in his talks with US officials.
