**Special Instructions for FT/11**

1. Pursuant to conversations conducted at LINCOLN, you are requested to initiate the following action as early as practicable, reporting on progress on a weekly basis and on significant developments by cable:
  - A. Explore the feasibility of establishing JUBILIST as a cut-out and P/A for this task. As an alternate to JUBILIST, you are authorized to consider JURIST in this capacity.
  - B. Through the above medium endeavor to establish such rapport and relationship as will enable the P/A to gain the confidence of ERRATIC.
  - C. Through the medium of the group known as Liga Anti-Comunista Salvadorina (IAS) and the above relationship, endeavor to establish a position wherein ERRATIC will recognize that this media, IAS, is his best hope for personal support for realization of his ambitions.
  - D. Once the situation is established as defined above, the P/A will endeavor to convince ERRATIC that his only chance for ultimate success is through complete cooperation with SYNCARP and that the IAS is fully cooperating in a like manner.
  - E. Proceed from the foregoing to provide sufficient assurance of financial and material support to convince ERRATIC of the sincerity and of the capabilities of the IAS through the P/A that will insure his full support.
  - F. Proceed from the above to determine ERRATIC's capabilities to contribute to the over-all PBSUCCESS program, obtaining full factual data on whatever real or potential assets he may claim to have control and/or influence, thereby endeavoring as rapidly as possible to ascertain the extent of ERRATIC's ability to contribute to PBSUCCESS.

2. The foregoing operational guidance is intended to provide you with maximum latitude necessary to fulfill this specific requirement. However, it is imperative that this operation be conducted in such a manner that all effort will contribute to the ultimate welding of ERRATIC and CALLIGERIS, avoiding at all times commitments or impasses. This task was established with the recognition that ERRATIC was recognized as a personality who must be dealt with in one of three ways: A. obtain his full support in cooperating with CALLIGERIS, as above; B. utilize his position for deception, thus gaining operational advantages; and C. upon the failure of foregoing, to effectively neutralize and/or isolate him as a factor in order to preclude the possibility of his unilateral action which might abort PBSUCCESS program. It is believed that the foregoing is sufficient general guidance at this time to alert you to the importance of this task and that you exercise careful discretion in implementing the above, endeavoring at all times to provide this Headquarters with sufficient information for us to be able to provide adequate further guidance during the course of the operational development of this task.
