[ ] It is said that Communists from all parts of El Salvador go to Cnaicnuapa to attend meetings and receive instructions and propaganda from Guatemala.

- These meetings are also attended by Dr. Humberto GONZALES of Asuncion Mita, Guatemala, who carries instructions from Guatemala City. GONZALES is said to be a Salvadoran exiled in Guatemala. Other couriers delivering propaganda are [ ] Virgilio SASO. SASO, although a Guatemalan, has a salvadoran working permit.
- Communist Propaganda is also being smuggled into El Salvador from Atescatempa and Jerez, Guatemala. [ ]

Field Comments

- It is possible that Communist activities are being centered in this area because of its strategic location near the Guatemalan border and away from the Salvadoran authorities, who consider all activities outside of San Salvador to be inconsequential.
