Supplement No. 3
Amendment #1

ATTACHMENT "A"

<u>CODE</u>	<u>LOT</u>	<u>ITEM</u>	<u>QUANTITY</u>
J-11	Mathilda Thorndeu	Grenade. Hand Concussion w/fuse top, w/0 Detonators	2520 ea.
J-11	Oklahoma	Detonators, Grenade # 8	2520 ea

XX

- PACKAGING:**
1. Detonators and fuses not to be assembled but packed in same case with grenades. Original packing case to be used.
 2. Grenades to be packed 30 per case. Two (2) cases to be handed together.
 3. All cases to be wire bound, steel strip banding may not be used.

- MARKING:**
1. Markings of whatever nature to be completely sanded off all cases, i.e., paint, impressions, stampings, etc.
 2. The only marking to appear on the cases is:

11 B

3. Above number and letter to be stencilled on top and each end of every case with a figure approximately 2" high.
4. No weights, cubes, box numbers, or any other markings are to appear on the cases except as designated above.

- MANIFEST:**
1. All documents to refer to material by assigned number only, listing total number of boxes, total weight and total cube content.

- SHIPPING:**
1. Material to be held in readiness for pick-up.

NOTE: Mr. Daly, Asst. Chief, Ammunition Inspection Office, may make necessary alterations in conformity with oral instructions given him on 3 October 1952.
